

A LA UNE

LA VÉRITÉ SUR LES JUMELLES DE LA TERRE THE TRUTH ABOUT THE TWINS OF THE EARTH

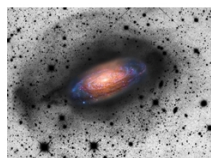

Credits: D. DURD / C & E Photos

The discoveries of "new earth" in vain succeed, no extrasolar world can now be compared to the blue planet. Hope to see our clone in the sky is not illusory?

SPACE X RÊVE DE RECYCLER LES FUSÉES SPACE X ROCKET DREAM TO RECYCLE

Credits: Space X

Visionary or dreamer? Elon Musk plans to hire his company, Space X, in the development of a reusable launch vehicle. But his concept raises some skepticism ...

Paul de Brem

DES REFLEX DOUÉS POUR LE CIEL SLR GOOD AT THE SKY

Credits: S. Pear tree

Make videos and follow the rotation of the stars: both actions necessary to amateur astronomers are now exclusive to digital SLR. Became possible with Canon and Pentax, we have tested in the field.
